

MẪU ĐỀ CỬ/NOMINATION AND REPORT FORM

Tên Nhóm/Group Name: GIA ĐÌNH LỮ HÀNH

Sau khi suy xét kỹ lưỡng về vai trò và trách nhiệm của mỗi chức vụ được đề cập đến trong tài liệu, chúng tôi đồng thuận, qua việc nhận định, những điểm sau đây:

After giving serious considerations to the Roles & Responsibilities for each position as described in the reflection materials, we have come to a consensus through discernment with the following:

1. Chức Vụ **Trưởng Cộng Đoàn**, chúng tôi đề cử:

*For the **President**, we nominate:*

Lý do/*Reasons*

2. Chức vụ **Phó Cộng Đoàn**, chúng tôi đề cử:

*For the **Vice-President**, we nominate:*

FRANK VƯƠNG (SEED Ministry)

Lý do/*Reasons*

- Frank has been and still is a foundation of SEED Ministry. Being a younger person, we felt he can serve as a bridge to the next younger generation of DongHanh members, and fully understand its needs and desires.
- Frank has served in various capacity in the ministry, and his dedication to the cause is nothing short of incredible. From the amount of time and effort, to the steady dedication and guidance when transitioned to a more advisory role, Frank has shown himself to be that of a leader, one who are always friendly, soft-spoken, and oh so humble.
- We acknowledge his strengths as well as his challenges, being:
 - a) A very good listener. Thoughtful and thorough in his responses.
 - b) Although he is young, he does have the respect of many above his years.
 - c) He is known across many DongHanh regions, and have traveled to all of them in the past.
 - d) Being single, hopefully able to devote (more freely) to DongHanh's vision.

1. Xin chia sẻ những điểm nổi bật trong tiến trình nhận định dẫn các bạn đến sự đồng thuận này /
Please share what surfaced in your discernment process that led to this consensus:

- *It was amazing to see that throughout the discernment process that everyone followed the spirit of it, with faithful honest sharing and in a very peaceful atmosphere.*
- *Both of the nomination (President/Vice-President) was completed in 1-Round each, indicating a lot of similar visions among the group members. The margins were also of significant amount, helping the group to achieve a consensus decision.*

2. Những ý tưởng nào đánh động các bạn về Vai Trò và Trách nhiệm của hai chức vụ này? /
What thoughts could you share with us about your insights into the Roles and Responsibilities of these positions?

- *Some of the sharing expressed the sympathy for these very positions, and the personal sacrifices that were/are being made in order to serve in these roles. We sympathized very closely with the incumbent President (Anh Trung), for he was a crucial member in our group in times past, and also being a founding and guiding member of the group.*
- *Being a group that consists of all members with children, a number of sharing dwelve into this, with the desire of having a President and Vice-President in two different regions, so as to reduce the amount of effort/travel that these leaders have to endure, so as to minimize the impact to family life.*

3, Xin chia sẻ những gì Nhóm bạn có thể đóng góp để giúp BPV ĐH-CLC có thể chu toàn trách nhiệm?/
Please share how or what your Group can contribute to help BPV ĐH-CLC fulfill its responsibilities?

- *Being one community, our group has and will continue to support the various events/ministries in the local region. We have done so through SEED, MRW, as well as all local events. Our group comprises of all members having small to teen children, preventing us from support in remote regions.*
