

CLC Diversity and Organization Committee Leadership Conference Information

The Diversity and Organization (D &O) committee would like your help as we develop the first Leadership Conference and prepare the way for our national discussions on the best way to structure ourselves as CLC-USA. We ask each region/cultural group to:

1. Select participants from your regional/cultural communities, and
2. Identify top four choices for modules at the Leadership Conference in April, 2008

Selection Criteria:

Participants should be...

- Current regional, national, cultural, Y&YA, and national committee leaders OR
- Potentially coming into leadership positions within the next 3 years
- Active CLC members
- Individuals who have a deep experience and understanding of the Spiritual Exercises and Ignatian Spirituality. It is suggested that they have experienced the 19th annotation or 30 day retreat.

The Participant must be able to:

- * **Attend the Two Leadership Conferences:** April 2008 and Early 2009, plus
- * **Gather interim input** from their respective communities.

The following is suggested as numbers of participants from each region or group:

- Regions: 3-4
- Korean CLC: 10-15
- Youth and Young Adults: 10-12
- Dong Hanh CLC: 10-15
- CVX (Spanish-speaking CLC): 5-7

Please spend time within your regional/cultural groups discerning individuals who meet these criteria and would be available to attend to these conferences and interim processes.
