SEEK THE  
LORD  
WHILE HE  
MAY BE  
FOUND.

As parents, how often do we wake up in the middle of the night and wonder "How do we introduce to our children a personal GOD who loves and cares for us unconditionally?"

"How do we begin presenting Ignatian Spiritual at a level a child can understand to our children?" "What can we do to help our children seek GOD in all things?" and many other questions.

"S.E.E.D. retreat has been one of the most spiritual, fruitful, and heart-felt experiences I have gained."

— Frank Vuong

After many years of prayer, our desires had come true. For the first time, the Dong Hanh North-East Region will host a S.E.E.D. retreat weekend for children 6 to 13 year old.
